# MESSAGE FROM THE **FOUNDER**

## **Sailesh Singhal**

Founder

**Youth of India Foundation**

It is with absolute pleasure that I introduce to you the Youth of India Club, a Youth of India Foundation initiative, a dream-turned-reality of Empowering Youth to lead, to question, and then, to act, all to create long-lasting change. We've all felt the need to belong while looking for our purpose, and for experiences that push us to grow beyond our horizons. The Youth of India Club creates that space while mobilizing the student body across the nation, sparking ideas, and giving students the opportunity to step into leadership roles, network, and cherish the impact of their actions.

We're collectively fostering a culture of positive engagement and holistic development, one that not only supports academic growth but also nurtures the leaders of tomorrow. Through workshops, student-led community projects, and interactive sessions with global changemakers, the Youth of India Club helps students see that their ideas find a home in us, that their innovations change lives, and that we are the wind beneath their wings that now spread across the sky!

To every student who joins this journey, to every teacher who supports it, and to every institution that believes in this cause - THANK YOU! Together, we're building more than a Club; we're shaping a movement that catapults Bharat into realizing the goals of 2047, into a brighter future handcrafted by our very own students.

The time is now, and the possibilities are endless.

# INTRODUCTION TO THE **FOUNDATION**

*As one of the largest Youth Non-Governmental Organizations in the nation, our journey commenced when the Youth of Siliguri exhibited an enthusiasm for social activism during the 2015 Nepal earthquakes, mobilizing efforts to aid our neighboring nation. The Pocket Money campaign was invited by the United Nations General Assembly and was termed as one of the “World’s Top 5 Campaigns.” Since then, that transformation from Youth of Siliguri to Youth of India Foundation has garnered significant recognition, and accreditation by esteemed bodies such as the United Nations DGC, the World Bank Y.S., COP27, and G20, among others. With a presence established in 15 Indian states and 8 countries, we are a team of 100,000 dreamers and do-ers.*
